

RBC Men's Retreat 2019

The following is information on our retreat at Camp Susque, January 25-27. We are trusting our Father will bless us with great fellowship and spiritual refreshment.

- **Arrival:** You can arrive any time after three PM on Friday to get settled in, explore the Camp, and enjoy some down time. We will not start formally until that evening. When you arrive, please go first to the Dining Hall to 'sign in'. The dining hall is the long building nearest to the flag pole, past Susque Lodge. From there you will be directed to Laurel Lodge where we will be sleeping.
- **Activities:** Beyond meal times, Bible study sessions, and planned activities, you will be encouraged to enjoy some free time at the camp. Hiking trails are all around the camp. There are board games and ping pong tables at the camp. There is a gun range for those interested in doing some shooting. If the pond is frozen, you can do some skating. Feel free to bring an activity that you want to share with others (cards, game, etc).
- **What to bring:** Bed linens or sleeping bag, pillow, soap, shampoo, towel, bible, pen and paper, and appropriate clothes for the weather. Bring your favorite drink/snack/munchies.
